1. Applicant's arguments filed 8/1/08 have been fully considered but they are not persuasive. The after-final amendment filed 8/1/08 has not been entered because it raises a new issue that was not presented during the examination. The new issue of drawing the portion of the sheet corresponding to the orifice or flange portion during the preforming step was not previously presented in independent claim 15 or those claims dependent upon claim 15. Applicant's remarks have been considered, however they are premature since they concern a limitation that has not been entered.
2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to EDMUND H. LEE whose telephone number is 571.272.1204. The examiner can normally be reached on MONDAY-THURSDAY FROM 9AM-4PM.
